Die Toten Hosen, Hand In Hand

She follows me down to where I go She comes in a cloud but she don't know She walks in a haze Do we get up before it ever gets too late Hand in hand we walk on down The alley and our common ground We walk in a haze Do we pass out before we ever know it's on

She ain't never gonna get wise She ain't never gonna get wise She ain't never gonna get wise And I feel better with my hands tied

She ain't never gonna get wise She ain't never gonna get wise She ain't never gonna get wise And I feel better with my hands tied

She follows me down to where I go Not pulling a chain not feeling low Don't wake me up I can't relate to any other song today Hand in hand we walk along The alley and our common ground I walk in a haze why should I care I'm waiting out the days go anywhere

She ain't never gonna get wise She ain't never gonna get wise She ain't never gonna get wise And I feel better with my hands tied

She ain't never gonna get wise She ain't never gonna get wise She ain't never gonna get wise And I feel better with my hands tied
