

# Die Toten Hosen, Revenge

You're sitting in your high castle  
looking down at us.  
Sure that we'll be happy slaves,  
who'll never make a fuss.  
There's a reverential silence  
as millions watch you snore.  
Live to serve, serve to live.  
Well, we want something more.

We want revenge.  
We want it.  
We want it now.  
We want revenge.  
We want it.  
We want it now.

Spread the word in every church,  
in every little town.  
The wizard is just a man like us  
we're going to hunt him down.

We're rolling back the red carpet,  
snuffing your candle out.  
Like you crushed every free-thinker  
who dared to raise a doubt.  
There's gonna be a vacancy  
and we'd all like the job.  
The worms have turned, it's time you learned  
your flock's become a mob.

We want revenge.  
We want it.  
We want it now.  
We want revenge.  
We want it.  
We want it now.

Tortures and holy wars,  
hatred all around.  
We know that you're responsible,  
we're going to hunt you down.

We want revenge.  
We want it.  
We want it now.  
We want revenge.  
We want it.  
We want it now.

An eye for an eye and a tooth for a tooth,  
we've seen the light and we know the truth.  
We want your glory and your power,  
vengeance will be ours.

You said we're all born innocent,  
in God's eyes we're the same.  
But some go angry and unloved  
and it's you we blame.

We want revenge.  
We want it.  
We want it now.  
We want revenge.  
We want it.

We want it now.
