

# Die Trying, Fuck You

My emotion runs high  
Can you counterweight and make me feel?  
Can you hear my voice come down, come down?  
Can you take that away and do what I say?

Fuck you  
This doesn't matter  
Don't say this doesn't matter  
'Cause you don't know what you mean

I'm so tired of your ways  
Don't say this doesn't matter  
Fuck you this doesn't matter  
Don't say this doesn't matter

My emotions runs so high  
Can you take that away to make me feel  
I gave through intimidation  
Cut back by the words you said  
And the way you said them

Fuck you  
This doesn't matter  
Don't say this doesn't matter  
'Cause you don't know what you mean

I'm so tired of your ways  
Don't say this doesn't matter  
Fuck you this doesn't matter  
Don't say this doesn't matter
