

Die Trying, So Long

Wake me up 'cause I can't sleep
Call me any time you need, you need
I put my pain into you
I hurt myself through you
So, call me anytime you need, you need me

As I lie here waiting I try to forget everything you mean
But life don't keep waiting for you
And I can't keep saying

So, so long to sleep
'Cause you were everything that I dreamed

As I lie here waiting
I try to think just what I'd do, if I saw you
What if I saw you?
'Cause I don't want you to see me
I'm broken down, torn up and lonely
If I saw you, what if you saw me?

So, so long to sleep
'Cause you are everything that I dreamed
So, so long to sleep
'Cause you were everything to me
So long to sleep
'Cause you were everything to me

So long, so long
So long, so long
So long, so long
So long . . .
So what's left for me then?
So what's left for me then?

Were everything that I dreamed
So long to sleep
'Cause you are everything that I dreamed
So long to sleep
'Cause you meant everything to me

So long, so long
So long, so long
So long, so long

If I wasted your time, I'm sorry
For wasting your time, I'm sorry
If I wasted your time, I'm sorry
For wasting, wasting your time.
