

# Die Verbannten Kinder Evas, Winters Night

The sky won't be blue again  
The scent of meadows forever gone  
Fading cries, a colden reign  
The magic land of sparkling snow...

Enchanting beauty in its pride  
A mystic stranger, softest might  
A sad and colden nameless bride  
Never forgiving winter's night

Sky won't be blue again  
The scent of meadows forever gone.  
Fading cries, colden reign  
The magic land of sparkling snow.

Enchanting beauty in its pride  
A mystic stranger softest might  
A sad and nameless bride  
Never forgiving winter's night.
