

# Dierks Bentley, Don't Leave Me In Love

(Dierks Bentley)

I know things haven't gone like you planned  
And for that I'm partly to blame  
You didn't want to fall in love not yet  
Cause you've still got so many dreams to chase

And love is a double edged sword  
It lets you walk though life feeling content  
But that's a feeling you say you can't afford  
And you'd be better off bein lonely again

Chorus

But please don't leave me  
Leave me in love  
Before you walk away break my heart  
Let me give you up  
If you need your freedom  
To find yourself  
Release me from these chains of love  
Lord knows I need your help  
But please don't leave me  
Don't leave me in love

You ask if you can hold me one last time  
Sweetheart, you know I can't resist  
You say tonight we'll fall asleep as lovers  
But tomorrow we'll wake up as friends

Chorus

Bridge

How can I ever love somebody new  
If I can't get my heart back from you

So please don't leave me  
Don't leave me, don't leave me  
Don't leave me in love  
Don't leave me in love  
Don't leave me
