

Diesel Boy, 3's & 4's

this guitar i'm holding is my only friend so I sit alone in the dark in =
my room again headlights flash upon my wall, mind's wandering I crack a =
smile and I want to stay awhile after half an hour it comes back to me I =
crack a smile and I want to stay awhile can you see now? way above the =
crowd? or is it just my fantasy? see me down at the river washing all my =
fears away I only wish that I could stay see me in my bedroom dreaming =
all my fears away I only wish that I could stay
