

# Diesel Boy, Groovy Chick

And he said "She looks beautiful like Marilyn Monroe."  
Now he can't get her off his mind  
We could not believe it  
When he told us the news  
He said "I met this chick and she's real groovy."  
Now he's pretty hung up  
He sends her flowers at work  
He calls her every night  
He even missed a Patch show  
We never really thought that this could ever happen  
But it seems that this is true  
He found a girlfriend he is really happy  
"Oh baby, baby, I love you!"

Now he doesn't masturbate like he used to  
He's down to two or three times

Every other day  
He's late for practice again  
He must be at her place  
She must be really nice  
Or really fucking crazy
