

Diesel Boy, Punk Rock 201

I'm in a punk band
I can't really play
But that doesn't matter
With music these days

I'm in a punk band
My friends think we suck
But I can play bar chords
And I can yell fuck

I'm in a punk band
And this is our song
And no one will know
If we play too long

I'm in a punk band
My friends think we suck
But I can play bar chords
And I can yell fuck
