Diesel Machine, Rage

you are the reason I exist won't stop until I get revenge I will ensure you don't persist cannot forgive, cannot forget

RAGE!

mother fucker, think you're bad? I'll take that smile right off your face how many more have you deceived the damage done can't be erased

RAGE!

you thought you'd seen the last of me when the backstabbing was done I bet you think you're funny now lying face down in your own blood

RAGE!
