

# Digimon, I'll Turn My Courage Into Wings

I'll turn my courage into wings  
And fly away soon  
Now matter when  
I always believe in you

If I'm with you  
I can cross over to the other side of the sky  
Now matter how hard it seems  
I'm sure we'll be all right

That's right  
We're unfinished dreamers  
We'll stick out our chest to the wind as we go

I'll turn my courage into wings  
And fly away now  
Unafraid of making mistakes  
I'll turn my courage into wings  
And fly away soon  
Now matter when  
I always believe in you

There are times when I can't be strong  
Times when I'm disappointed in myself  
But I'll keep trying  
Because I have you

That's right  
We're the dreamers of the future  
We've got to make our hearts evolve, too

I'll turn my courage into wings  
Let's start from here  
Even if I have to do it 100 times, I'll get it right  
I'll turn my courage into wings  
Let's start soon  
Now matter when  
I always believe in you

I'll turn my courage into wings  
And fly away now  
Unafraid of making mistakes  
I'll turn my courage into wings  
And fly away soon  
Now matter when  
I always believe in you
