

Digimon, Mimi's Karaoke

I wanna sing a song
A song to bring Shogunmon around
When he hears my voice
I hope he likes the sound
He has to listen
Listen to my sincere heart
I've learned that friends are friends even when they're apart
I've asked my friends to forgive me from the bottom of my heart
If it's my choice his eyes will open wide
And the Gekomon will be cheering
Cheering with pride
