

# Digital Underground, Holly Wantstaho

What a wonderful [x3]

What a wonder ho [x2]

Why she wanna ho?

What a wonderful, what a wonder ho

Why she wanna ho? (I'll tell you why)

What a wonderful way to go out, ho

[Shock G]

I know a girl named Holly, I'm tellin she's sinkin

Thinkin about sellin that body

Contemplatin rollin up the stroll like a trolley

Wants fast money like Three-Card Molly

Oh look now, here comes Holly

Look at that smile, look at that body

Look at those eyes, Holly's real fly  
Holly's real smart, Holly's real pretty

Holly got flavour but she's got no pride

Holly wants to hide in the corner of the city

Holly ain't sick, Holly ain't crazy  
Ain't got it bad, the ho's just lazy

Now she's lookin into hookin

Quick money on her back so the ho can live fat

Holly thinks that's where it's at  
But curiosity is gonna kill that cat

Born with a gift, think she'll ever use it?  
Hell no, cause Holly wants to ho

[Chorus]

If that ho don't stop, it that ho don't stop

[Saafir]

Holly likes to ho and use dildoes as long as my bills grow  
I'm not trippin, she be dippin in wallets, all it's

Gonna get is me rich, I tried to dis the bitch

But she slits her wrists every time, she said:

'I wanna grind and make scratch with my snatch'  
Cool, latch onto my belt buckle  
One time she came short all she felt were the knuckles

Beating her down I saw her on Geraldo

After the show MAD calls for the ho

You can save all the chit-chatter and all the bitchin  
By this time next year you'll be f\*\*kin politicians

Every one in a while I catch her home she be callin  
Bawlin, but I'm only sensitive when I bust a nut

After I bless you with the dick you've got to cut  
And make my bucks, giddy-up giddy-up, giddy-up!

Oh, time to go, when it comes to male personnel

Holly likes to ho

[Chorus]
