

# Dilba, Not Directly

Dilba

Midnight magic is here but  
you're too lost to notice  
I failed to understand  
and now my heart knows it  
Asking for too much is so  
easily done  
It is sad but the end has just begun  
I reach for clothes  
it's too cold to stand here naked  
No room for love  
our love is a walk on ice  
It's just too easy to break it  
No room for love  
We can only lose as  
there's nothing to win  
The piece of your mind  
that is leaving, won't let me in  
Asking for too much is so  
easily done  
It is late and the end  
has just begun  
See through pain and tears  
Will I see through your fear  
Cold and lonely, here I stand  
On this trip between love and  
pain, Will I cope, will i cope  
But till then I...
