Dilba, Peaceful Place

Dilba Is it a star shine for you Or is it a dream coming true But now you're alive finding you're wondering where destiny is taking you The world will whisper magic words and thoughts But no words can replace what I feel The world will whisper magic words and thoughts How come I don't know what it means When it comes to passion let's go all the way If you search you'll find so they say But I was not looking he came my way I realize I was a fool I could have been sleeping a lifetime through
