

# Dina Carroll, Don't Be A Stranger

I shouldn't be alone with you tonight,  
desire was too strong to put up a fight,  
I don't understand the way I feel  
although it feels so right,  
I really shouldn't be...  
here tonight

In your eyes there's a sign of intensity  
I sense an atmosphere  
no need to hide from the way that you feel inside  
there's nothing left to fear

(chorus)  
If only for tonight  
(don't be a stranger)  
I wanna take this chance  
risk it all for you  
knowing what I'm gonna do  
if only for tonight  
(don't be a stranger)  
I want it all from you  
tonight

you're on my mind all of the time  
I really shouldn't stay with you tonight  
but the more and more I think of it  
the more it just seems right  
that's why I shouldn't be...  
here tonight

Now I find out I know who I really am  
I'm lost without a trace  
so take me high, take me low or how you know  
and help me if you can

(repeat chorus)

Why I don't know it  
I'm in too deep, to say no  
hold me close, don't let me go  
I wanna take this chance  
risk it all for you  
it's what I'm gonna do

(repeat chorus)
