

Dina Carroll, I'll Be There For You

Once again
And until the end
I am never weary
Of holding your hand

You don't have to carry
Everything all by yourself
Let the load be shared
By somebody else

I'll be by your side
I'll be faithful
Can't you see the love in my eyes

Don't you know by now
After all that we've been through
I'll be there for you
From now until the end
I'll always feel the way I do
I'll be there for you
I'll be standing by
I'll be there for you

We don't know
What tomorrow brings
Life of broken memories
And shattered dreams

There is someone there
Anywhere you go
You don't have to hurt
You don't have to cry alone

Look around and see
That I've been standing here
So patiently

Don't you know by now
After all that we've been through
I'll be there for you
From now until the end
I'll always feel the way I do
I'll be there for you
I'll be standing by
I'll always be by your side
I'll be there for you

No matter how long
No matter how far
No matter the cost of love
I'll give you my heart
And no matter what you do, baby
I'll be there for you

Don't you know by now
After all that we've been through
I'll be there for you
From now until the end
I'll always feel the way I do
I'll be there for you
I'll be standing by
I'll always be by your side
I'll be there for you
