

Dina Carroll, Love Of My Life

You are the love of my life
You are the reason I'm alive
And baby, baby, baby
When I think of how you saved me
I go crazy

I've never known love like this
And it fills me with sweet tenderness
And I know, I know, I know
You're in my heart, you're in my soul
You're all I can't resist

And I need to tell you
The first time I held you
Baby I knew

You are the love of my life
I spent a lifetime waiting
Always hesitating until you
I was lost so deep inside myself
Till you came and saved me from myself
Now all I really know is I need you

And you are the love of my life
All my joy and the tears that I've cried
And baby, baby, baby
You don't have to say a word
I see it in your eyes

And as we stand together
I promise forever
Till the day that I die

You are the love of my life
I spent a lifetime waiting
Always hesitating until you
I was lost so deep inside myself
Till you came and saved me from myself
Now all I really know is I need you

You are the love of my life
You are the reason I'm alive
