

Dina Carroll, Why Did I Let You Go?

There's never a day you're not on my mind
There isn't a tear that I have not cried, haven't cried
You told me that you would be leaving me
You said you'd be going this time
The thought of you gone forever
Never, never crossed my mind

Why did I let you go
How could I have been so wrong
Why did I let you go
And how could I be so wrong

I may have mistreated you sometime
But you can't tell me the fault's all mine, all mine
Those empty words that you hurt me with
Still run through my mind
But that won't change that I
That I feel inside

Why did I let you go
How could I have been so wrong
Why did I let you go
And how could I be so wrong

You told me that you would be leaving me
You said you'd be going this time
The thought of you gone forever
It never, never crossed my mind

Why did I let you go
How could I have been so wrong
Why did I let you go
And how could I be so wrong
