

# Dingdong Avanzado, Wish I Could

i wonder where you are right now  
wish i could see you somehow  
can't seem to ease the pain  
since you've been gone  
nothing's been the same  
how i wish you could have stayed awhile  
how i wish that i could see you smile for me

CHORUS:

wish i could hold you in my arms  
keep you safe and keep you warm  
but now all i can do  
is hope and long for you  
you're in my mind every night and day  
wishin' you're part of me in everyway  
'coz all i wanted to do  
was to always be there for you  
i wish that i could tell you  
just how much i love you

i guess i should not fear  
'coz i know  
God can hear  
and He's telling me  
you're alright  
and there's no need to worry  
oh my baby, i am so sorry  
if i had known maybe you could have lived here with me

REPEAT CHORUS 2X

i wish that i could tell you  
how i love you
