

Dinosaur Jr., Turnip Farm

Come on with me... tell me all about it.
Come on with me... tell me all about it.

Come on with me and tell me all about it. I needed to feel you there, yeah doubt it.

Come on with me... tell me all about it.
Come on with me... tell me all about it.

Come on with me and tell me all about it. I needed to feel you there, yeah doubt it.

Just come on with me... and tell me all about it.
Come on with me... tell me all about it.

Please don't leave me, not like this
What about all that we'll miss
Done it all and what a waste
I don't want this rage misplaced
Please don't leave me, not just yet
Cause it's brutal, can't forget
Nothing else we could have done
Still it's killing me you're gone...

Come on with me and tell me all about it. I needed to feel you there, yeah doubt it.
Come on with me and tell me all about it. I needed to feel you there, never doubt it.

Just come on with me... tell me all about it.
Come on with me... tell me all about it.

Come on...
Come on...
