

# Dio, As Long As It's Not About Love

From the first time we touched with our eyes  
Only magic could take away my heart  
I am always afraid for my heart  
So lay beside me now and tell me lies - sweet lies  
As long as it's not about love

Shall we sail off the edge of the world  
Fall forever and never look behind  
But I must keep my heart from my mind  
Lay beside me now and tell me lies  
As long as it's not about love

Oh the last time we touched with our eyes  
And the magic was stronger than the heart  
Oh, I can't run away with my heart  
So, lay beside me now and tell me lies  
As long as it's not about love

Shall we sail off the edge of the world  
Fall forever  
Take my heart away but no  
You can't say words about love  
Ooh

If the magic comes between us  
And we never meet again  
Take a part of me away  
'Cause maybe it's all above love  
Love, ooh
