Dio, Dream On

Every time that I look in the mirror All these lines in my face gettin' clearer The past is gone It went by like dusk to dawn Isn't that the way Everybody's got their dues in life to pay, yeah

I know nobody knows Where it comes and where it goes I know it's everybody's sin You got to lose to know how to win

Half my life's in books' written pages Live and learn from fools and from sages You know it's true All the things Come back to you

Sing with me Sing for the year Sing for the laughter and sing for the tear Sing it with me If it's just for today Maybe tomorrow the good Lord will take you away

Sing with me Sing for the year Sing for the laughter and sing for the tear Sing it with me If it's just for today Maybe tomorrow the good Lord will take you away

Dream on, dream on, dream on Dream until your dreams come true Dream on, dream on, dream on Dream until your dreams come true Dream on, dream on, dream on Dream on, dream on, ahh

Sing with me
Sing for the year
Sing for the laughter and sing for the tear
Sing it with me
If it's just for today
Maybe tomorrow the good Lord can take you away

Sing with me
Sing for the year
Sing for the laughter and sing for the tear
Sing it with me
If it's just for today
Maybe tomorrow the good Lord can take you away
