## Dio, Last In Line

We're a ship without a storm The cold without the warm Light inside the darkness that it needs, yeah

We're a laugh without a tear The hope without the fear We are coming - home

We're off to the witch
We may never never never come home
But the magic that we'll feel
Is worth a lifetime

We're all born upon the cross The throw before the toss You can release yourself But the only way is down

We don't come alone We are fire we are stone We're the hand that writes Then quickly moves away

We'll know for the first time If we're evil or divine We're the last in line We're the last in line

Two eyes from the east It's the angel or the beast And the answer lies between The good and bad We search for the truth We could die upon the tooth But the thrill of just the chase Is worth the pain

We'll know for the first time If we're evil or divine We're the last in line We're the last in line

We're off to the witch
We may never never never come home
But the magic that we'll feel
Is worth a lifetime

We're all born upon the cross The throw before the toss You can release yourself But the only way you go is down

We'll know for the first time If we're evil or divine We're the last in line We're the last in line
