## Dio, Rock And Roll

If they take away your song You can finally hear the voices Of the ones that don't belong

In the face of the rising wind We all sing Gloria Is there flame without fire Most unlikely

If you're there when the walls come down We all sing - warrior Is there sight without sound Most unlikely

But we got rock and roll Rock and roll Take me anywhere Rock and roll Rock and roll Is there someone there Rock and roll

On the edge of the last goodbye We all sing - warrior Ah the brave never die Most unlikely

Hey, send your heroes of to war But whisper in their ear Never cross the song police They can tell you what you're gonna hear - again

For the sake of the left behind We all sing Gloria Soon forgotten by time So unlikely

Cause we got rock and roll Rock and roll Take you anywhere

Rock and roll Rock and roll Someone's always there Rock and roll

Bring me anywhere Rock and roll Rock and roll Someone's always there Rock and roll Rock and roll me, ah

Rock and roll Rock and roll Rock and roll Rock and roll
