

Dio, Stars (Hear 'N Aid)

""Ronnie James Dio ([[Dio]]):""
Who cries for the children? I do...
""Dave Meniketti ([[Y&T]]):""
Sometime in the night
When you're feeling the cold
""Ronnie James Dio:""
Take a look at the sky above you
""Rob Halford ([[Judas Priest]]):""
Those are faces in the light
If the story were told
""Ronnie James Dio:""
They are calling you, calling you
Yeah
We are magic in the night
""Kevin DuBrow ([[Quiet Riot]]):""
We are shadow, we are light
""Dave Meniketti:""
We are forever you and I

""Chorus (vocal lead: Rob Halford):""
We're stars
We're stars
""Eric Bloom ([[Blue yster Cult]]):""
We can be strong
We are fire and stone
""Paul Shortino (Quiet Riot, [[Rough Cutt]]):""
And we all want to touch a rainbow
""Geoff Tate ([[Queensryche]]):""
But singers and songs
Will never change it alone
We are calling you, calling you
""Don Dokken ([[Dokken]]):""
We're the beating of a heart
The beginning we're the start
""Paul Shortino:""
Forever we will shine
Yeah

""Chorus (vocal leads: Paul Shortino, Don Dokken, Ronnie James Dio, Geoff Tate):""

We're stars
We're stars
