## Dio, Strange Highways

It's a crazy world we're live in And I'm leaving it today For another institution We crazy people play Every time I climb the mountain And it turned into a hill I promised me that I'd move on And I will.

I, I, good for nothing
Going nowhere, so they say
Hey, someone give me blessings
For they say that I have sinned
That when I crawl inside myself
And ride into the wind
On Strange Highways
On Strange Highways

Hey you! I want your number Don't even wonder We do things our way here Questions These are forbidden We got no answers Believe us anyway

So here is my confession: It's the only broken rule Sometimes I crawl inside of me Where I can be the fool On Strange Highways On Strange Highways

You can see the other side And you shall come over You can't leave the other side If you say I will

Everytime I climb the mountain And it turned into a hill Well, I promised me I'd disappear And now I know I will

So, someone give me blessings For the times you say I've sinned So I can crawl inside myself And ride into the wind On Strange Highways On Strange Highways

Questions
They're forbidden
Hey you, what's your number
Oh, we've got no answers
Don't you even wonder
