Someone told me I would never be free

The way you are is way you'll always be

But it's all wrong

There's Time To Burn

Hurt is on the pleasure wheel

But you can't hurt if you can't feel

And you can feel - you've got something to learn

You've got Time To Burn

You were lost inside a pounding heart

Waiting for the game to start

But you won't play - you've so much to learn

Like you never say never

We'll live forever

And you've got Time To Burn

When the wolf is loose in the city

The the city will fight to survive

You can hide in the streets of the city

But no one will care

No one will know you're alive

There's Time To Burn

Someone told me I would never be free

The way you are is way you'll always be

But it's all wrong

Just never say never

We're gonna live forever

Cause you've got Time To Burn

Time To Burn
