Dio, Time To Turn

Time To Burn Written by Ronnie James Dio Vinny Appice Jimmy Bain Claude Schnell Craig Goldie Someone told me I would never be free The way you are is way you'll always be But it's all wrong There's Time To Burn Hurt is on the pleasure wheel But you can't hurt if you can't feel And you can feel - you've got something to learn You've got Time To Burn You were lost inside a pounding heart Waiting for the game to start But you won't play - you've so much to learn Like you never say never We'll live forever And you've got Time To Burn When the wolf is loose in the city The the city will fight to survive You can hide in the streets of the city But no one will care No one will know you're alive There's Time To Burn Someone told me I would never be free The way you are is way you'll always be But it's all wrong Just never say never We're gonna live forever Cause you've got Time To Burn Time To Burn
