

# Dion, Drive All Night

I've been away now  
I just can't wait now  
I got your letters -  
and I read between each line

I've been praying  
that you'll be waiting  
So just remember -  
I'm gonna make you mine

Refrain:  
I'm gonna drive all night  
till the morning light  
I'm gonna roll till dawn  
with the windows down  
and the radio on  
You know I'd drive all night  
just to hold you tight  
We're gonna be so free  
just me for you and you for me

I've been dreamin'  
and I've been seamin'  
just to see you -  
'cause you're my one desire

You're the reason  
my arms are open  
Your sweet emotion  
sets my heart on fire

Refrain:  
I'm gonna drive all night...

Bridge:  
Girl I should have known better - I nearly let you go  
if I'd had my way  
Woulda make you mine a long time ago  
A little understanding - just a little bit of love  
would go a long long way  
let me show you what I'm thinking of

Solo  
Refrain:
