

Diplo, Worry No More (Feat. Lil Yachty & Santigo)

I don't want to worry no more

Stop messing with my money now
Like a walk in the park
I got love till it runneth out
being rich is hip as fuck
I got friends I got fun
Got now worries til it all dry up
And I can make it rain
Wash away th epain
Any doubts I might not be enough
shit I know what you mean
Everybody want it
Not the cash through its freedom

I don't want to war no more
I just want to ball like the big league
I just want a nice house on the shore
I just want a big house like Gatsby
So catch me if you can
I'm chasing after my dreams
I want to be the man
I want to be rthe star on the scene

Cuz I don't want to worry no more
I just want to ball like the big league
I just want a nice house on the shore
I just want a big house like Gatsby
So catch me if you can
I'm chasing after my dreams
I want to be the man
I want to be rthe star on the scene

Tell you what I;m chasing something never was
Rich dad, poor dad
Ain;t got one to pull me up
Feel the panic kicking in
I know I can't stop
Higher I get closer it seems to where I was
give me some time
Make me happy give me love
If money buy me that I;m never letting up
you keep the fame keep the phony canned applause
I'l keep on dreaming keep on rising high above

I don't want to war no more
I just want to ball like the big league
I just want a nice house on the shore
I just want a big house like Gatsby
So catch me if you can
I'm chasing after my dreams
I want to be the man
I want to be rthe star on the scene

Cuz I don't want to worry no more
I just want to ball like the big league
I just want a nice house on the shore
I just want a big house like Gatsby
So catch me if you can
I'm chasing after my dreams
I want to be the man
I want to be rthe star on the scene
