(Marvin Gaye)

I've been really tryin' baby
Tryin' to hold back these feelings for so long
And if you feel like I feel baby

One hell of a ride

Who wishin', who frontin', who want it from me?

You? Come get it, you want it, it's nothing to me

You? (Let's get it on)

Yup, already know how I feel

When it comes to pumpin' that steel

You know with these ride boys toke time up with the cowboy ropes

So (Let's get it on)

Uh, let's get it on y'all
