

Dir En Grey, ??????????

Give me Laugh
Give me Pain
Give me High
Give me
Give me Laugh
Give me Pain
Give me High
Give me

Give me Laugh
Give me Pain
Give me High
Give me

An end begins a trivial matter.
It's a time to burn everything.
If I could forget you without hesitation...
Serious injury laughs at me.
The time is changing, the passage of time burns me, you, now.
Solitude laughs as it likes.
You laugh as you look down.
The time is over, the time will stop, at the end of the time, sleeping with a kiss to unheated death.

Give Me
