Brainwash makes us sing a sorrowful song  
People in waves, they sing along

For the country to prosper. For the country to prosper. It's the country's song  
It's a bomb that's just covered up

Freedom Love Riot Power  
Whores and prostitutes City of illicit sales  
Politics Poverty Dictatorship Nuclear  
Is there such thing as freedom inside us?

Other than Victory the result is destruction  
Being Supervised + the result equals despair  
For the country to prosper. For the country to prosper. It's the country's song  
It's TI that's just covered up

SPARK SUPLIMINAL VISION  
L&P Love and peace is vanished  
It's a city of destruction, and it's called Freedom

Beautiful Fireworks light the night as children smile with joy

Cherring voices all around. Execute Firearm  
Penetrates inside ONE TWO in the cranium ONE TWO THREE  
Sounds of firearm swirl like the whirlwind as it strike the ears  
The prison guard jumps and screams in laughter

People's emotions swirl in a whirlwind. Rebellion Felony  
Shoot away ONE TWO Children ONE TWO THREE  
Cleanse away. People scream  
Awakening Awakening Awakening Awakening
