Dire Straits, Angel Of Mercy

Well there's a Peter Pan moon shepherd's delight I got to dragon at noon, yes and I won the fight Now I want my reward in heaven tonight, just like you promised Angel of Mercy, you'll come to no harm Angel of Mercy, there's no need for alarm The knight in his armor wants a night in your arms You know he's honest

Angel of Mercy, angel delight, give me my reward in heaven tonight And if I give up my sword, won't you give me the right Sweet angel

Well now it's too late for talking we can talk later on Let the saxophone play us till the chorus of dawn And all I need is a little oblivion, you don't need protection Well now here come the moonlight down on your bed Angel of mercy let your heart rule your head I don't want your money, I want you instead Don't need rejection yeah

Angel of Mercy, angel delight, give me my reward in heaven tonight And if I give up my sword, won't you give me the right Angel of Mercy give me heaven tonight Well if you cross your heart And spit and swear upon the grave of your mother You got to get into it, you gotta tell me that I'm more than a lover

Yeah Angel of Mercy angel delight Give me my reward in heaven tonight And if I give up my sword, won't you give me the right Angel of Mercy give me heaven tonight

Yeah Angel of Mercy, angel delight Give me my reward in heaven tonight And if I give up my sword, won't you give me the right Angel of Mercy give me heaven tonight
