

Dire Straits, So Far Away

Here I am again in this mean old town
And you're so far away from me
And where are you when the sun goes down
You're so far away from me

So far away from me
So far I just can't see
So far away from me
You're so far away from me

I'm tired of being in love and being all alone
When you're so far away from me
I'm tired of making out on the telephone
And you're so far away from me

So far away from me
So far I just can't see
So far away from me
You're so far away from me

I get so tired when I have to explain
When you're so far away from me
See you been in the sun and I've been in the rain
And you're so far away from me

So far away from me
So far I just can't see
So far away from me
You're so far away from me
