

# Dire Straits, Southbound Again

Southbound again I don't know if I'm going or leaving home  
Boy got to be moving  
Seems like the boy is bound to roam

Southbound again got no money I've got no place to go  
That woman's with her lover boy  
Never want to see her face no more

Every single time I roll across the rolling River Tyne  
I get the same old feeling  
Every time I'm moving down the line

Southbound again last night I felt like crying  
Right now I'm sick of living  
But I'm going to keep on trying
