

Dirty Vegas, Candles

you're going down and it feels good
but you ain't wearin' what you should
all the people that you've had
the time is over

so count your blessings count the times
you forgot the names, commit the crimes, yea
all the people that you've had
the time is over

oh, it's time to make amends
you've been burnin' the candle at both ends
oh, it's time to make amends
you've been burnin' the candle at both ends

oh it's time to make amends...
you've been burning the candle at both ends.
