Discharge, In Love Believe

Speed The Day
Peace And Love Arise
From The Darkness
Dread And Drear
From The Pit
This Pit Of Hate
For This Day Strive
For This Day Strive

Go On Loving On And On Go On Loving On And On In Love Believing In Love Believe

Keep The Candle Burning Maybe One Day We'll See Things The Same Don't Be Afraid No Don't Be Afraid Afraid To Care Open Wide The Door To Your Heart

Extend The Kind Arm Of Infinity All Over The Human The Human Sphere Release Release Our Troubled Hearts And Grant Our Children Our Children Peace
