Discharge, Society's Victim

I'm just a victim of your wildest lies Send in my photo with another name I'm society's victim Nobody has to get you to buy it now That's your concern and I don't vote I'm society's victim I'm just the subject of discussion now The one no-one admires I'm society's victim I'm not just sufferin' from paranoia It's invented by you and them I'm society's victim
