

# Disclosure, You've Got To Let Go If You Want To

Wasted  
Don't know which way you're facing  
You can't hold on  
You've got to let go if you want to be free

And everybody knows it  
The secret that we're holding  
You've got to let go if you want to be free  
You've got to let go if you want to be free

Wasted  
Don't know which way you're facing  
You can't hold on  
You've got to let go if you want to be free

And everybody knows it  
The secret that we're holding  
You've got to let go if you want to be free  
You've got to let go if you want to be free

Wasted  
Don't know which way you're facing  
You can't hold on  
You've got to let go if you want to be free

And everybody knows it  
The secret that we're holding  
You've got to let go

Wasted  
Don't know which way you're facing  
You can't hold on  
You've got to let go if you want to be free

And everybody knows it  
The secret that we're holding  
You've got to let go if you want to be free

Be free  
You've got to let go if you want to be free  
Be free  
You've got to let go

Wasted  
Don't know which way you're facing  
You can't hold on  
You've got to let go if you want to be free

And everybody knows it  
The secret that we're holding  
You've got to let go if you want to be free

You've got to let go

You've got to let go  
You've got to let go  
You've got to let go if you want to be free  
You've got to let go if you want to be free  
You've got to let go if you want to be free
