

Dissection, Beyond The Horizon

Beyond the event horizon lies the void of my dreams
Imploding eternal darkness, portal to my destiny
The voracious gaping vortex distorts the cosmic laws
Drains the life of the universe, extinguishing the stars
Vedar-Gal Tiekals Somdus Azerate!
Vedar-Gal Tiekals Somdus Azerate!
Anti-Cosmic Bringer of the End
Vedar-Gal Tiekals Somdus Azerate!
This is the realm of Azerate, eleven as one
Destroyer of cosmic order, extinguisher of the sun
In this place so sinister I shall find my dreams
Illuminated by the blackest flame
To transcend with dragon wings
Vedar-Gal Tiekals Somdus Azerate!
Anti-Cosmic Bringer of Revenge
Vedar-Gal Tiekals Somdus Azerate!
Vedar-Gal Tiekals Somdus Azerate!
Anti-Cosmic Bringer of the End
Vedar-Gal Tiekals Somdus Azerate!
Eleven to Kill the Ten
Vedar-Gal Tiekals Somdus Azerate!
Vedar-Gal Tiekals Somdus Azerate!
So brilliant in your darkness
Rushing forth the rage of Chaos
In your all-dissolving fire all becomes nothing
Beyond the event horizon
Beyond the lights of the stars
A place of eternal freedom
The void where all illusions die
Vedar-Gal Tiekals Somdus Azerate!
Anti-Cosmic Bringer of Revenge
Vedar-Gal Tiekals Somdus Azerate!
Eleven shall bring the End
