

# Disturbed, Inside The Fire

Ohh Devin, won't go to heaven  
She's just another lost soul about to be mine again  
Leave her, we will receive her  
It is beyond your control, will you ever meet again?

Devin, one of eleven  
Who had been rendered unwhole as a little child  
She was taken and then forsaken  
You will remember it all, let it fill your mind again

Devin lies beyond this portal  
Take the word of one immortal

Give your soul to me for eternity  
Release your life to begin another time with her  
End your grief with me, there's another way  
Release your life, take your place inside the fire with her

Sever, now and forever  
You're just another lost soul about to be mine again  
See her? you'll never free her  
You must surrender it all if you'd like to meet again

Fire, all you desire  
As she begins to turn cold and run out of time  
You will shiver till you deliver  
You will remember it all, let it fill your mind again

Devin lies beyond this portal  
Take the word of one immortal

Give your soul to me for eternity  
Release your life to begin another time with her  
End your grief with me, there's another way  
Release your life, take your place inside the fire with her

Give your soul to me for eternity  
Release your life to begin another time with her  
End your grief with me, there's another way  
Release your life, take your place inside the fire with her

Ooh Devin, one of eleven  
Who had been rendered unwhole as a little child  
She was taken and then forsaken  
You will remember it all, let it fill your mind again
