

Disturbed, Stupified

Yea

bringing you another disturbing creation from the
mind of one sick ANIMAL
who cant tell the difference,
And gets stupified.

I've been waiting my whole life for just one (FUCK)

And all i needed was just one (FUCK)

How can you say you dont give a (FUCK)

I find myself stupified, coming back again

All i wanted was just one (FUCK)

One tiny little innocent (FUCK)

And when i feel like im shit out of (LUCK)

I find myself stupified, coming back again

Why, do you like playing around with

My narrow scope of reality

I can feel it all start slippin'

I think im breaking down

Why, do you like playing around with

My narrow scope of reality

I can feel it all start slippin' away

See but i dont get it

Dont you think maybe we could put it on credit?

Dont you think it can take control when I dont let it?

I get stupified

Its all the same

You say live with it

But I don't get it

Dont you think maybe we could put it on credit?

Dont you think it can take control when I dont let it?

I get stupified

I get stupified

All the people in the left wing (Rock!)

And all the people in the right wing (Rock!)

And all the people in the underground (Rock!)

I find myself stupified, coming back again

All the people in the high rise (Rock!)

All the people in the projects (Rock!)

And all la hent in the barrio (Rock!)

I find myself stupified, coming back again

Why, do you like playing around with

My narrow scope of reality

I can feel it all start slippin'

I think im breaking down

Why, do you like playing around with

My narrow scope of reality

I can feel it all start slippin' away

See but i dont get it

Dont you think maybe we could put it on credit?

Dont you think it can take control when I dont let it?

I get stupified

Its all the same

You say live with it

But I don't get it

Dont you think maybe we could put it on credit?

Dont you think it can take control when I dont let it?

I get stupified

I get stupified

te fa che (hebrew for "be afraid")

And don't deny me

No baby now, don't deny me

And darlin' don't be afraid...

But I don't get it

Don't you think maybe we could put it on credit

Don't you think it can take control when I don't let it

I get stupified

I begin to stupify. (ROCK)
