

# Disturbed, Stupify

Yeah, bringing you another disturbing creation  
from the mind of one sick animal who can't tell the difference  
and gets stupified

I've been waiting my whole life for just one fuck  
And all I needed was just one fuck  
How can you say that you don't give a fuck  
I find myself stupified, coming back again  
All I wanted was just one fuck  
One tiny little innocent fuck  
And when I feel like I'm shit out of luck  
I find my stupified, coming back again

Why, do you like playing around with  
My, narrow scope of reality  
I, can feel it all start slipping  
I think I'm breaking down

Why, do you like playing around with  
My, narrow scope of reality  
I, can feel it all start slipping away  
See but I don't get it  
Don't you think maybe we could put it on credit  
Don't you think it can take control when I don't let it  
I get stupified  
It's all the same you say  
Live with it

But I don't get it  
Don't you think maybe we could put it on credit  
Don't you think it can take control when I don't let it  
I get stupified [x2]

All the people in the left wing rock  
And all the people in the right wing rock  
And all the people in the underground rock  
I find myself stupified, coming back again  
All the people in the high rise rock  
And all the people in the projects rock  
And all la gente in the barrio rock  
I find myself stupified, coming back again

Why, do you like playing around with  
My, narrow scope of reality  
I, can feel it all start slipping  
I think I'm breaking down

Why, do you like playing around with  
My, narrow scope of reality  
I, can feel it all start slipping away  
See but I don't get it  
Don't you think maybe we could put it on credit  
Don't you think it can take control when I don't let it  
I get stupified  
It's all the same you say  
Live with it

But I don't get it  
Don't you think maybe we could put it on credit  
Don't you think it can take control when I don't let it  
I get stupified [x2]

[Hebrew:] Mefached  
[English translation: "Scared" or "Afraid"]

And don't deny me  
No baby now, don't deny me  
And darlin' don't be afraid...

But I don't get it  
Don't you think maybe we could put it on credit  
Don't you think it can take control when I don't let it  
I get stupified

Look in my face, stare in my soul  
I begin to stupify. Ah! [x4]  
Look in my face, step in my soul [x4]  
Look in my face! [x3]  
I begin to stupify! Ah!
