

Diva Destruction, My Turn

I knew the day would come, but
It's way too late, too bitter to enjoy
Can you take the pain you gave?
You should have thought of that
As you sealed your fate
You won the battles then, but I'll
Win the war in the end you'll see
This Phoenix will rise again, it will
Fly again, far away, from these flames
Now it's my turn, now it's my turn
to say goodbye, to hear you cry
And to watch you die
You beg for mercy now
But did you ever show any for me?
You killed me more than once
And enjoyed my tears
As you danced on my grave
You'll know just how it felt, to be
There like me, to be left and forgotten
You'll see just how I lived, to be
Tortured blind, and then thrown away...
