Divine Brown, Something Bout You

Fire inside trembling Every time I hear your name Babe you don't know what you do to me I been thinkin' maybe It's time we get together I really wanna get to know you

[CHORUS:] There's somethin' bout you There's somethin' bout somethin' bout There's somethin' bout There's somethin' bout you There's somethin' bout you

Somethin' makes me feel so Amazed by the things that u do to me Wanting, needing, every time I see your smile Baby, baby, you blow my away I don't wanna rush nothing with ya baby We can take it real slow you & amp; me 'Cause I don't wanna move to fast Let's take our time & amp; ride on the rhythm Baby let your body move so naturally Tell me all that you desire Can I be your angel I wanna take your higher

I want to get to know u in a special way 'Cause I can feel your fire Tremble all inside when I hear your name I wanna take you higher I want to get to know u in a special way 'Cause I can feel your fire Tremble all inside when I hear your name

[CHORUS:] There's somethin' bout you There's somethin' bout somethin' bout There's somethin' bout There's somethin' bout you There's somethin' bout you
