

Divine, Female Trouble

I got lots of problems
Female Trouble
Maybe I'm twisted
Female Trouble
They say I'm a skank
but I don't care
go ahead put me in your electric chair

I got lots of problems
Female Trouble
Maybe I'm twisted
Female Trouble
Hey spare me your morals

look out for yourself
what's leading me is paradise

I got lots of problems
Female Trouble
maybe I'm twisted
Female Trouble
Oink! Oink! Oink! Oink!
I'm a jerk - I like it fine!
As long as I'm making headlines
Ah ha ha Yeah!
I got lots of problems...
