

Divine, I Wish

I tried to get you out of my head
But the more I tried
You're back in my mind again
I must admit that I only got regrets
Since you walked out on me
Took my life, love and happiness
I'll always be thinking of you wondering
If you ever think of me too
How I hope and pray that someday
I'll hold you in my arms again

Chorus

I wish that I had you in my arms again baby
I'll hold you so tightly boy I can't pretend
That I don't love you, don't need you
The pain never ends
Who's gonna love me like you do
When nights are cold I can't help but shed a tear
When I recall all the special memories we shared
You'll hold my hand, make me feel so safe and warm
I tried to move on, but you still have my heart and my soul
I'll always be thinking of you wondering

If you ever think of me too
How I hope and pray that someday
I'll hold you in my arms again

I wish that I had you in my arms again baby
I'll hold you so tightly boy I can't pretend
That I don't love you, don't need you
The pain never ends

Who's gonna love me like you do
There will never be another you
You have changed my very existence as it were
Don't you know I love you more
I love you more, love you more
Than you'll never know

I wish that I had you in my arms again baby
I'll hold you so tightly boy I can't pretend
That I don't love you, don't need you
The pain never ends

Who's gonna love me like you do
I wish that I had you in my arms again baby
I'll hold you so tightly boy I can't pretend
That I don't love you, don't need you
The pain never ends
Who's gonna love me like you do
