

Divine, Jungle Jezebel

chorus

Jungle jezebel, jungle jezebel
Jungle jezebel, jungle jezebel

You sissy, you sissy, you're just like Jungle Jim
Be careful where you sleep tonight, you don't know where it's been.
You wimp, you wimp, say who you callin' a blimp?
I ain't your Aunt Jammima and honey, you ain't my pimp!

(chorus)

The natives sure look hungry
Well throw me in the pot
Great googala moogala
They're servin' me up hot.

(chorus)

Now who you callin' a jezebel?
Your mama, your mama, your mama, your mama
Open sesame, open sesame, open sesame
Open sesame, open sesame

(chorus)

(repeat x2)

You wimp, you wimp
Say who you callin' a blimp?
I ain't your Aunt Jammima
And honey, you ain't my pimp.

(chorus x2)
